

# The Bank of London in Canada.

*To the Shareholders of the Bank of London in Canada:*

The Directors beg leave to present the Fifth Annual Report of the Bank, together with the statement of assets and liabilities.

The Directors have, since the meeting held on the 4th ult., obtained the necessary legislation to wind up the affairs of the Bank.

A dividend of sixty cents on the dollar, based on the subscribed capital, has been declared payable on the 2nd day of July next.

The Directors hope to avoid the necessity of making any further calls upon the shareholders in order to equalize the losses.

The Directors desire to call the shareholders attention specially to the fact that they do not expect to collect in full the assets shewn by the report submitted, but cannot yet determine how much will ultimately be lost.

All of which is respectfully submitted,

F. B. LEYS,

*Vice-President.*
